

VITAL STATISTICS

MEN'S SEX SURVEY 2008

Sigma Research has been carrying out community-based research for more than fifteen years. We are the UK's leading social research group specialising in the policy aspects of sexual health and HIV. Sigma Research is based in Vauxhall, South London and is part of the University of Portsmouth.

Vital Statistics 2008 was commissioned by Terrence Higgins Trust as part of its Department of Health funded CHAPS programme.

This booklet has been distributed by:

This survey is about sex between men. It is **anonymous** - please do not write your name on this booklet. The questions are **frank** and **explicit**. Please answer honestly.

VITAL STATISTICS is a UK-wide survey that happens each summer. Please fill in this survey only once this summer and return it by **17th October 2008**.

Your answers will be added to those of thousands of other men and the findings will be used to help plan safer sex campaigns and other HIV services.

It is possible to complete the survey online at:
www.vitalstatistics.org.uk

For more details about Sigma Research and the results from previous surveys go to:
